

Spalding DeDecker Named Top Workplace by the Detroit Free Press

Rochester Hills, MI, November 12, 2018 - Spalding DeDecker, a leading civil engineering and surveying firm, has been awarded a 2018 Top Workplaces honor by The Detroit Free Press.

“Being a Top Workplace is more than just external recognition,” said Steve Benedettini, President of Spalding DeDecker. “This award comes from the input of our employees. They are the ones that feel Spalding DeDecker is a Top Workplace, and it feels great to know they feel that way about our culture.”

“It’s an honor to be named as a Top Workplace by the Detroit Free Press,” said Catherine DeDecker, Vice President of Spalding DeDecker. “We are proud of our heritage of doing what’s right for our employees and the community. To be recognized for this is amazing.”

About Spalding DeDecker Associates

Established in 1954 and celebrating its 64th year in business, Spalding DeDecker is an employee owned consulting engineering and surveying firm specializing in infrastructure, land development, and surveying. Headquartered in Rochester Hills, Michigan, Spalding DeDecker offers a diverse set of skills to clients who seek solutions to construct and maintain their infrastructure. The firm offers municipal engineering, construction engineering, transportation engineering, land development, pavement management, roof and building envelope assessment, and land surveying services.
